Brand New Penthouse on the City's Edge

Placed high on the 30th floor of the brand new Forge Apartments complex, this resplendent, spacious, and utterly modern three bedroom, two bathroom Docklands Penthouse promises dazzling views of the Yarra River and city skyline as well as two secure car spaces.

It's easy to see why properties in the Forge complex have quickly become some of the hottest commodities in the entire Docklands area. Filled with elegance and grace, this contemporary delight shows off with relaxed lounge and dining which features wonderful water and CBD views, as does the sizeable undercover balcony ideal for alfresco dining.

An integrated fridge and freezer, designer cabinetry, stone benchtops, and Smeg appliances define the gourmet kitchen, meanwhile all bedrooms are equipped with built-in robes and floor-to-ceiling windows including the master bedroom which also delivers a private ensuite. A study nook, pristine bathroom, and separate laundry are other highlights.
