

DONCASTER, VIC

26 Verdant Crescent

DARE TO DREAM

The perfect place to build your dream home (STCA), on offer is 280sqm (approx.) of vacant land located in an up-and-coming Doncaster pocket. Part of the brand new Tullamore Estate by Mirvac ? what was previously the Eastern Golf Course ? this prime allotment is ideal for buyers wishing to establish themselves in an exclusive neighbourhood without the hefty price tag.

Adding to the appeal, a significant portion of the hard work has already been done with approved plans in place for a four bedroom home complete with a two-car garage. This outstanding address is within enviable proximity of Westfield, the Eastern Freeway, bus services and Park+Ride. A choice of quality schools including Birralee Primary and Templestowe College are also nearby.
