Your brand new dream home in wonderful Woodlea

Experience new era living with this stunning three bedroom, two living area family home built to the highest standard in master planned Woodlea. Perfect for those looking for a place to call home in a burgeoning community, residents can enjoy their own space whilst being part of a dynamic community with parks, retail, education, employment, commercial and community services all burgeoning.

Melding the best of contemporary design and open spaces, this quality Mirvac built home comprises three full sized bedrooms, all with built in robes and the master includes WIR and dedicated ensuite. The central entrance hallway leads from your porch past that master bedroom, opening up to the huge open plan living, meals and lounge area ? complimented by the full chef's kitchen with European appliances. A second living zone makes for the perfect formal lounge, rumpus or home theatre room, perhaps even a fourth guest bedroom area for visiting

family/friends. The low maintenance garden is fully landscaped (grass on main image is for illustration purposes only), keeping work out the back and front down to minimum. Further features include ducted heating and cooling throughout plus double garage.

A community designed for modern and connected living, Woodlea already features and will continue to include more parklands, public spaces, play grounds, sporting grounds, community hubs and connectivity to the CBD thanks to adjacent Rockbank Station.

\$380 per week
