### Large 2 bedroom on Yarra's Edge

With an envious location on the banks of The Yarra this two bedroom apartment with a north westerly aspect enjoys sunset views over the marina below from your private and spacious balcony. Step into an open plan living area with floor to ceiling windows and an adjoining gourmet kitchen that will make entertaining a delight. Each generously sized bedroom is ideally located either side of the living area and hallway and include mirrored built-in-robos, both serviced by the centrally positioned high grade bathroom with European laundry.

50 Lorimer Street sits perfectly in the precinct with a host of restaurants at your doorstep, public transport and South Wharf shopping/dining just a couple of minutes' walk away, all the boxes really are ticked for that inner city lifestyle with a twist of a harmonious community by the water.
