Luxurious 2 Bedroom Apartment in Tower 5
The interior of this spacious apartment has been thoughtfully planned to provide an environment of consummate comfort. An ensuite bathroom incorporated into the main bedroom and a second bathroom right next to the second bedroom provide maximum privacy for the occupants whether they are owner-occupiers or tenants.
At the heart of the layout is a spacious living and dining room that expands to a long balcony that can also be accessed from the master suite. A central island bench separates the sleek kitchen from the open-plan living space.
Further highlights include a European laundry, a walk-in robe in the main bedroom and built-in robes in the second bedroom. As you would expect from residing in Tower 5 in the Docklands, the views of the Marina and city are truly spectacular as are the amenities of Mirvac's 'The ReKdek' that include a fully equipped gymnasium, swimming pool, spa, steam room and sauna. Easy access to cafes, restaurants, the Crown entertainment complex and all transport.
